

Zionist Organization of America: Pittsburgh Israel Scholarships General Guidelines

The ZOA Israel Scholarship Program was founded in 1962 as an investment in the children of our region. ZOA has found these trips very important in reinforcing the commitment of these students to Judaism and in giving them an appreciation of the centrality of Israel to Jewish life. The program continues today with funding from endowments underwritten by Avraham and Patti Anouchi, Harold and Marla Scheinman, the late Bernard and Esther Klionsky, and the late Thelma Esman.

The Novick family created an endowment in honor of the late Ivan J. and Natalie E. Novick, two ardent Zionists active in Pittsburgh causes. This is especially noteworthy as Ivan was a National President of ZOA. Natalie is remembered for her generous spirit and leadership ability in Jewish causes which was evident to all who worked with her.

Pittsburgh ZOA would like to thank these families for their generosity, commitment and vision to perpetuate the Scholarship Program.

- Along with remittance of payments to programs of choice, a general letter of instruction will be included to the program requesting notification if for any reason the student does not attend the program, withdraws from the program early, or is asked to leave the program at any time during the program duration, along with an explanation of the reason for the termination of the students program.
- In some instances noted above, the program may expect to keep some or all funds already paid on behalf of the student because of the commitment made by the student to participate in the program. In such instances, the ZOA will initially contact the program in question to request a refund of any and all monies. Should the circumstances surrounding the termination warrant the program to retain any and/or all monies, the ZOA shall hold the student and the student's family responsible for refunding to the ZOA, all monies provided by the ZOA, or a pro-rated portion of the funds, as may be deemed appropriate by the ZOA Scholarship Committee.
